

MT-B EDB A OC

235998-01.2023

The manual consists of several panels illustrating the installation process:

- Top Left Panel:** Shows the terminal block with a warning icon (eye with exclamation mark) and the text "2x MT-B EDB A OC". A safety icon (person falling) is also present.
- Second Panel (Left):** Shows a saw cutting the terminal block. A warning icon (eye with exclamation mark) and the text "> 10 mm" indicate the cutting depth.
- Second Panel (Right):** Shows the terminal block with a corner bracket being attached. A warning icon (eye with exclamation mark) and the text "< 10 mm" indicate the distance from the corner.
- Third Panel (Left):** Shows the terminal block with a corner bracket being attached. A warning icon (eye with exclamation mark) and the text "> 10 mm" indicate the distance from the corner.
- Third Panel (Right):** Shows the terminal block with two corner brackets being attached. A warning icon (eye with exclamation mark) and the text "0 mm" indicate the distance from the corner. A safety icon (person falling) is also present.
- Bottom Left Panel:** Lists the required components: "4x MT-TFB", "1x MT-80/MT-90/MT-100", and "2x M12 / 1/2\"/ or = HUS".
- Bottom Middle Panel (Left):** Shows the terminal block with a corner bracket being attached. A warning icon (eye with exclamation mark) and the text "< 10 mm" indicate the distance from the corner. A safety icon (person falling) is also present.
- Bottom Middle Panel (Right):** Shows the terminal block with two corner brackets being attached. A warning icon (eye with exclamation mark) and the text "max 25 mm" indicate the distance from the corner. A safety icon (person falling) is also present.
- Bottom Right Panel:** Shows the terminal block with two corner brackets being attached. A warning icon (eye with exclamation mark) and the text "max 25 mm" indicate the distance from the corner. A safety icon (person falling) is also present.
